Look Both Ways!

Didn't your mother always tell you to "Look Both Ways" before you crossed the street? That's good advice any time we come to an intersection, and that's exactly where we are now.

The current administration's two-year term will end with this meeting, and in keeping with the LHS Bylaws, the membership will elect a new slate of officers. Outgoing president Patricia Siegfried-Giles will look back in her review of the work accomplished by LHS during the past two years. And after we've elected new officers, the incoming president will look forward to the next two years and the possibilities that lie before us.
